SMART SECURITY, MONITORING & SURVEILLANCE SOLUTIONS & TECHNOLOGIES - AT SMART NATION 2020

SMART SECURITY TECHNOLOGIES AND SOLUTIONS will be the highlight of SMART NATION 2020 Expo, which will be held from **24 – 26 March 2020** at the Malaysia International Trade & Exhibition Centre (MITEC). Themed: “**SMART NATION: BEYOND VISION 2020**”, this landmark event has the blessing of Tun Dr. Mahathir Mohamad, the Prime Minister of Malaysia. It is **THE Event** for Malaysia's digital transformation into a SMART NATION that will make the connected nation more sustainable, efficient, and safer, while creating new growth opportunities, high value jobs and improving the quality of life.

The introduction of 5G, Smart Buildings, Internet of Things, Artificial Intelligence, Virtual Reality, Robotics and Drones Technology will accelerate the implementation of SMART SECURITY, MONITORING & SURVEILLANCE systems. These technologies will not only transform our security and safety but across all aspects of our lives.

Hosted by the Malaysian Industry-Government Group for High Technology (MIGHT), the SMART NATION 2020 Expo will feature **10 key clusters** including:

SMART SECURITY @ SMART NATION: **THE No.1** SHOWCASE OF -
